WVHETC – West Virginia Higher Education Technology Conference

The annual *WVHETC* conference brings together Higher Education, K12 and State Agencies for a common purpose: to embrace new ideas, develop new insights and design new approaches to help move education forward in the state.

WVHETC provides comprehensive sponsorship packages which include presentation opportunities, exhibit space, branding and networking. Sponsorship allows you to achieve your objectives before, during and long after the event. Signing on early will allow you to maximize exposure to qualified decision-makers.
